Opener

Sides Face Grand Square

She's a girl, and by me, that's only great
I enjoy that her silhouette is curvy
That she walks with a sweet and girlish gait
With her hips kind of swivel-y **Allemande Left & Weave**
She adores being dressed in something frilly
When her date comes to get her at her place
Out she goes with her Vic, or Dave, or Charlie (Joe or John or Billy)
Like a filly who is ready for the race!

Figures

Heads **Square Thru** in the middle and you get four hands you know
Find the corner girl and then you do a **Dosado**
Touch $\frac{1}{4}$ now, **Scoot Back** the boy jump in
Boy Run around that girl, and a **Right & Left Thru**, turn that girl
(Ladies lead) **Dixie Style** make an ocean wave
Boys Cross Fold, you **Swing** and you **Promenade**
She floats as the clouds on air-do
She enjoys being a girl.

Middle Break

Sides Face Grand Square

When she has a brand new hairdo
With her eyelashes all in curl
She floats as the clouds on air-do
She enjoys being a **Allemande Left & Weave**
When we say she's cute and funny
And her teeth aren't teeth, but pearl
She just laps it up like honey
She enjoys being a girl.

Closer

Sides Face Grand Square

She flips when a fellow sends her flowers
She drools over dresses made of lace
She talks on the telephone for hours
With a pound and a half of cream on her face **Allemande & Weave**
She's strictly a female, female
And her future I hope will be
In the home of a brand and free male who'll
Enjoy being a guy, having a girl;
