Opener

Circle Left

Day turned black, sky ripped apart.
Rained for a year til it dampened my heart
Men **Star Right** turn it one time you go,
Allemande Left the corner girl and **Weave** around you know,
All I gotta do is, to love you, all I gotta be is, be happy,
All it's gotta take is some warmth to make it blow away, blow away, blow away.

Figure: Twice for Heads and Twice for Sides

Heads(sides) Square Thru four hands go
Round that corner do a **Dosado**, you know
Swing thru today, **Spin the Top**,
Boys up, **Slide thru**, **Touch** ¼,
Scoot Back and go, the **corner lady swing** there
Swing your girl, **Promenade** the ring there
All it's gotta take is some warmth to make it
Blow away, blow away, blow away.

Middle Break

Sides Face Grand Square

[Instrumental 32 beats) Allemande Left and Weave

All I gotta do is, to love you,
All I gotta be is, be happy,
All it's gotta take is some warmth to make it
Blow away, blow away, blow away.

Closer

Four men Promenade, one time around there
Get back home swing that girl around the ring now
Join hands circle, go walking around the ring
Allemande Left your corner **Weave** that ring,
All I gotta do is, to love you, all I gotta be is, be happy,
All it's gotta take is some warmth to make it blow away, blow away, blow away.
