## **“I’d Really Love to See You Tonight”**

(Key of Abm)

England Dan and John Ford Coley - 1976

Barry Manilow (Up Tempo Mix) - 1996

**Called By: David Mee – Staff Caller**

### **Opener**

#### **Grand Square**

Hello, yeah, it’s been a while  
Not much, how ‘bout you?  
I’m not sure why I called, I guess I really just wanted

#### **Allemande Left & Weave the Ring**

I was thinking maybe, later on  
We could get together for a while  
It’s been such a long time and I  
Really do miss your smile.

### **Figures**

Heads gonna **Promenade** halfway, Walk in and **Square Thru** to four,  
All the way and then you **Swing Thru** and now **Boy Run Right** and **Ferris Wheel**  
**Square Thru** and go **Three Quarter** round, **Swing** that corner girl and you **Promenade**  
There’s a warm wind blowing, the stars are out, and I’d really love to see you tonight.

### **Middle Break**

#### **Grand Square**

We could go walkin’ through a windy park, or take a drive along the beach  
Stay at home and watch TV, you see it really doesn’t matter much **Allemande Left & Weave**  
I’m not talking ‘bout moving in, and I don’t want to change your life  
There’s a warm wind blowing, the stars are out, and I’d really love to see you tonight.

### **Closer**

#### **Grand Square**

I won’t ask for promises, so you don’t have to lie  
We’ve both played that game before, say “I love you” **Allemande Left & Weave**  
I’m not talking ‘bout moving in, and I don’t want to change your life  
There’s a warm wind blowing, the stars are out, and I’d really love to see you tonight.

### **Tag**

I’d really love to see you tonight.
