Opener

Circle Left

I say let us put man and woman together to
find out which one is smarter!

Men Star Right now, you roll it tonight
Left Allemande and you **Weave that Ring**

Oh, not me! But the people they say,
That you **Swing** your girl and **Promenade** her that way
But I say that the women today,
smarter than the man in every way!

Figure: Twice for Heads and Twice for Sides

Heads/Sides **Lead Right, Veer Left**

Bend the Line and do the **Right and Left Thru**

You **Touch** $\frac{1}{4}$, **Circulate**

Boy Run Right, And all **Pass Thru**

Allemande Left, Come back and **Swing new Corner**

Promenade because she is smarter!

That's right, the woman is smarter!

That's right; that's right!

Middle Break

Four Ladies Chain $\frac{3}{4}$ around

And when you catch her, now you **Roll her Away**

Join your hands and **Circle Left** in a ring

Left Allemande and you **Weave that Ring**

That's right, the woman is smarter!

That's right, the woman is smarter!

That's right, the woman is smarter!

That's right; that's right!

Closer

Sides Face, Grand Square

Methuselah spent all his life in tears

Without a woman for nine hundred years.

One day he decided to have some fun,

But the poor man never lived to see nine hundred and one!

Four Ladies Chain – because they are smarter!

Chain them back – because they are smarter!

Promenade, The woman is smarter!

That's right; that's right!

Tag

That's right; that's right!

That's right; that's right!
